

From memorable times the pleasantness of the location, the uniqueness of the Relais, the beautiful views have made Relais Regina Teodolinda a longed-for residence, a charming place where you can enjoy the gifts of life. Guests who arrive at the Relais are welcomed by a wide walkway surrounded by plants in full bloom during the summer. A short distance further on is the captivating Relais and its garden. The refined suites, the luxuriant garden and the exclusive direct access from the lake make it an ideal location for pleasant breaks in the mild climate of the lake.
